

# Verint EdgeVMS as a Service

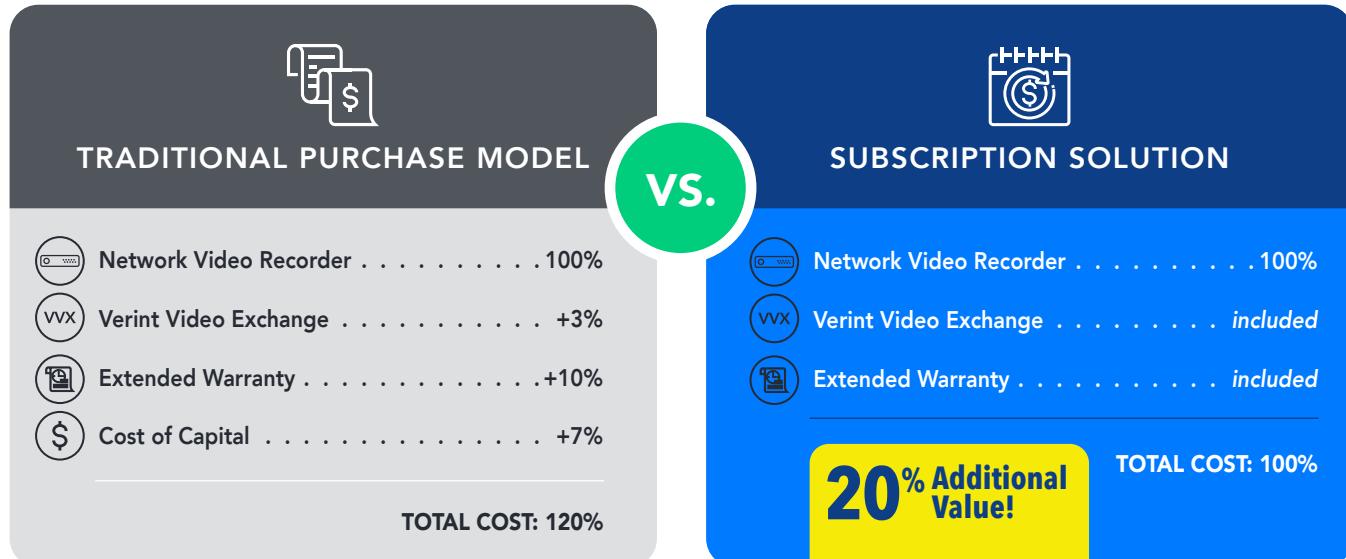

## Enhance the value of your investment

Get the Verint EdgeVMS you know and trust as a new cost-effective yearly service.

### Introducing EdgeVMS as a Service

The new annual service offering includes:

- One-time up-front purchase of the Verint EdgeVR Network Video Recorder that best meets your needs
- Subscription Software purchased on a per-camera basis, only pay for what you need
- Minimum 3-year Subscription Software Term, paid annually
- Verint Video Xchange S-VVX-50-3—Cloud solution for video sharing
- Extended 5-year warranty
- Renewals available after initial 3-year agreement

**VERINT.**<sup>®</sup>

# Verint EdgeVMS as a Service

## Benefits of EdgeVMS as a Service:

A lowered total cost of ownership. Increased value. And the benefits keep coming...

Lower TCO/OPEX Budgeting & Extended Warranty	Per-Camera Subscription Pricing	Includes Access to Verint Video Xchange™ Cloud (SaaS)®
Pay cost over time instead of all up front	Economical annual subscription plan	A cloud-based platform for secure sharing of video surveillance and security data
Supports financial trends for OPEX (operating expenses) vs CAPEX (capital expenses)	Pay only for what you use; easily scalable to adapt to evolving business needs	Improved operational agility and productivity
Includes 5-year hardware warranty (an extra 2 years of protection) as long as subscription is active	Transferable licenses to new locations; use your licenses where you need them	Better remediation for sharing information with authorities

## EVaaS Summary of Benefits

 New functionality through the latest software releases	 Fully-featured EdgeVMS capabilities	 Licensed Verint Video Xchange
 Complete Hardware Warranty and Software Support Coverage	 Lower upfront expenditures	 Overall ~20% more value for your money
